A FUND ACCOUNTING SOLUTION WITH YOUR MISSION IN MIND

Abila MIP Fund Accounting™ is the Gold Standard for fund accounting among mid-sized nonprofit and government organizations.

A comprehensive solution, MIP Fund Accounting drives productivity by enabling you to:

- Track, report, and manage finances across the organization according to your unique revenue sources
- Make informed, confident financial decisions
- Execute with greater precision
- Remain current on updates to key financial data in your system

Unlock the Power of Fund Accounting's Gold Standard

Remain Flexible – As your accounting, human capital management, and payroll needs change, MIP can adapt and grow alongside you.

Be Analytical – Report and track information that is most important to your board, your organization, and you.

Customize – Your general ledger can easily track specific grants, funds, and programs with an unlimited amount of segments.

Make Informed Decisions – Track budget progress for each of your grants, funds, and programs and make forward-thinking decisions using “what-if” scenarios.

Key Benefits

- Make Better Financial Decisions
- Execute with Greater Precision
- Better Track, Report, and Manage Finances
- Ensure Mission Productivity

“QuickBooks® was great during our start-up phase, when we had 12 people and a budget under \$3 million. But, now we have multiple companies in eight different countries, and have tripled our budget. We needed something much more powerful and scalable.”
