

State-of-the-art workhorse for your business needs.

Features:

- **Shock resistant:** Enhanced durability with stainless steel side rails, a reinforced frame and synthetic back cover – materials that help protect your phone from accidental drops.¹
- **5.7" Quad HD IPS Quantum Display:** Produces improved contrast ratio and color reproduction using quantum technology for enhanced image quality.
- **Lightning fast:** Business-ready with Android™ 6.0 (Marshmallow) to run the latest applications and solutions available from AT&T. Includes a hexa-core processor on the AT&T 4G LTE network.²
- **64GB of internal memory³:** Expandable up to 2TB with microSD™ card (sold separately). Plus, a 3,000mAh battery provides up to 16.7 hours of talk time, so you can stay connected.⁴

Capabilities:

- **Enterprise ready:** EAS policy support, enterprise-grade VPN, AES-256 bit on-device and SD card encryption and Mobile Device Management.
- **Second Screen:** Use two adjustable windows simultaneously and drag-and-drop content from one to the other.
- **Smart Keyboard:** Helps increase your typing efficiency with reliable word recognition and settings to adjust the keyboard height or layout.
- **Knock Code™:** Provides secure, one-step access to your home screen – with over 86,000 different code combinations.
- **HD Voice Capable:** Crystal clear conversations and reduced background noise.⁵
