

# Take your business mobile.

## Features:

- **Built for high performance** – The LG G Pad X 10.1 offers an expansive 10.1" Full HD IPS display and a powerful quad-core processor.
- **Android™ unleashed** – Ready with Android 5.1 (Lollipop) to run the latest apps.
- **Storage and power to spare** – Comes with 32GB<sup>1</sup> of onboard memory that can be expanded via a microSD™ card – up to 128GB (sold separately). Plus, the long lasting 7,400mAh battery provides up to 10 hours of internet usage time so you can stay connected.<sup>2</sup>
- **NumberSync<sup>SM</sup>** – Make and receive voice and video calls on your Android tablet using your smartphone number, even when your phone is turned off or left at home.<sup>3</sup>

## Capabilities:

- **Maximize productivity** – AT&T Mobile Office Suite<sup>4</sup> is an available solution that integrates the familiar productivity applications of Microsoft® Office 365.
- **Enterprise Mobility Management<sup>4</sup>** – Ideal for organizations to manage devices, content and applications to enable and secure a mobile workforce.
- **Ready for security** – LG GATE (Guarded Access to Enterprise) offers Enhanced Email (EAS, S/MIME, etc.), Mobile Device Management compatibility with leading EMM providers, Device (256 data encryption) and Network Security (VPN).
- **Dual Window** – Split screen for two compatible apps and drag-and-drop from one window to the other.<sup>5</sup>
- **QPair™** – Use your tablet to answer calls and reply to messages received on your Android smartphone even if your phone is across the room.<sup>5</sup>
- **QuickMemo<sup>®</sup>+** – Quick note-taking, PDF Annotation and simultaneous voice recording and notation, with convenient panel built into the home screen.
- **Reader Mode** – Dampens screen intensity and can help reduce eye strain allowing for a more comfortable reading experience.
