## Amazingly Easy Promotion Frequently Asked Questions for Customers

It's never been easier to do amazing things with Autodesk® software - and now you can save up to 45%\*\* when you move to the latest Autodesk 2012 software releases by January 13, 2012.

If your current software is version 2008 or older, making the move to the latest Autodesk® software is easier than ever — and can help you do even more amazing and innovative things. See how much more you can accomplish with Autodesk® suites — the cost-effective way to manage the entire design process.

The Amazingly Easy promotion offers discounts of up to 45% off the new license MSRP on select Get Current Program paths from November 14, 2011, through January 13, 2012.

Customers with Subscription Only products may be eligible to participate in the promotional pricing for the duration of the Amazingly Easy promotion.

### 1. What is the Autodesk Amazingly Easy Promotion?

For a limited time, from November 14, 2011, through January 13, 2012, the Amazingly Easy Promotion offers savings of up to 45% off new license MSRP for customers that want to update valid licenses of retired Autodesk® products that were not upgraded prior to the product retirement date.

The offer includes discounts on Get Current Program purchases including Autodesk Design and Creation Suites.

Customers with Subscription Only products may be eligible to participate in the promotional Get Current pricing. Consult your Autodesk Authorized Reseller for pricing and eligibility.

### 2. How does this offer differ from the Autodesk Get Current Program?

The Autodesk Amazingly Easy Promotion provides incremental discounts on select paths for customers that would otherwise qualify for the Autodesk Get Current Program. Discounts for Amazingly Easy are up to 45% off of new license MSRP.

For more information on the Autodesk Get Current Program, please consult with your Autodesk Authorized Reseller.

### 3. Who can participate in the Amazingly Easy Promotion?

This promotion is available only to United States, Canadian and Latin American government and commercial end-user customers (including Autodesk Named Accounts) subject to eligibility criteria.

### 4. Is Autodesk Subscription required to receive Amazingly Easy pricing?

Yes, Autodesk Subscription **is required** in order to receive promotional pricing under the Autodesk Amazingly Easy promotion.

Autodesk Subscription has never offered more value. You'll get access to Autodesk Cloud, a new collection of web-based features, products, and services that help you improve collaboration, increase mobility, and optimize your designs — all with 3GB\* of cloud-based storage. And all while getting the latest releases, expedited online technical support, and flexible licensing privileges.

**5. Can the Autodesk Amazingly Easy promotion be combined with any other offers from Autodesk?**

No, discounts under this program may not be combined with any other discounts, promotions, or other incentives offered by Autodesk unless specified herein.
